1. Identification of the product and of the company

PRODUCT NAME

Coloplast® Belt retainer Ring

PRODUCT CODE(S)

4270; 4271; 4274

Manufacturer

Coloplast A/S
Holtedam 1
3050 Humlebæk
Denmark
+45 49 11 11 11

Contact person

Product Manager
770/281/8400

[telephone in Denmark during working hours 8.30 a.m. – 4.30 p.m.]

2. Composition

2.1 OSHA Regulatory Status

This product does not contain any substances, which are classified as hazardous under OSHA regulations.

2.2 Other components:

CAS no.:

Belt retainer ring

PP (Polypropylene)

9003-07-0

Packaging

Polyethylene
Corrugated Cardboard

9002-88-4

-

Ingredients not identified are proprietary and/or non-hazardous. All chemical ingredients appear on the EPA TSCA inventory.

3. Hazards identification

The product consists primarily of polymer materials. Product poses no immediate hazard, but can give rise to toxic fumes in a fire.

4. First aid measures

Skin contact This product is intended to be in contact with the skin as directed in the instruction for use

Eye contact Not relevant

Inhalation Not relevant

Ingestion Not relevant

Information Show this Safety Data Sheet to a physician or emergency ward

5. Fire fighting measures

Flash point (°F) Not relevant

Risks Smoke, soot, CO/CO₂, and other toxic fumes. Avoid contact with heated or molten product. Do not breathe vapors from heated product.

Extinguishing media Use water spray, carbon dioxide, dry chemical powder or appropriate foam.

Protective measures Keep personnel removed from and upwind of fire. Wear full firefighting turn-out gear (full bunker gear), and respiratory protection (SCBA).

6. Accidental release measures

Protection of persons No specific measures.

Protection of environment See section 13

Clean-up operation No specific measures.

7. Handling and storage

Handling

See section 8.

Storage

Avoid direct sunlight. Store products dry and at room temperatures to maintain product integrity.

8. Exposure controls/personal protection

Eye/face protection	None required
Skin protection	None required
Respiratory protection	None required

9. Physical and chemical properties

Appearance	Transparent ring
Flash point (°F)	Not relevant
Boiling point (°F)	Not relevant
Solubility	Not relevant
Odor	None

10. Stability and reactivity

The product is stable under ambient conditions. High temperatures to be avoided.

11. Toxicological information

This product is a medical device and has been tested according to the requirements of medical devices. According to current knowledge this product is considered non-toxic. For further information please contact Coloplast A/S at the telephone number found in section 1.

12. Ecological information

Ecotoxicological data have not been determined specifically for this product. Based on toxicity data on the ingredients no ecotoxicological effects are expected. However the product is not biodegradable and discharge to the environment should be avoided.

For further information please contact Coloplast A/S at the telephone number found in section 1.

13. Disposal considerations

If this product as supplied becomes a waste, it does not meet the criteria of a hazardous waste as defined under the Resource Conservation and Recovery Act (RCRA) 40 CFR 261.

Under normal private use the product may be disposed of together with other household waste per RCRA 40 CFR 261.4.B1.

The disposal should always be in compliance with Federal, State and local regulations.

14. Transport information

Not dangerous goods (ADR 2003)

15. Regulatory information

This product is a medical device and is regulated under the Federal Food Drug and Cosmetic Act. This MSDS is supplied as an additional service. Medical devices do not require an MSDS for hazard communication as stated in 29 CFR 1910.1200.

California Prop65: None
